The students below are classmates and they want to do something together tomorrow.

I'm in the eighth grade. I like spending time outside with my friends. After school, I usually go cycling with them when the weather is nice. If the weather is rainy, we sometimes go to see paintings. We sometimes play sports, too. I really enjoy playing basketball. I also like listening to music and playing the guitar. I especially like listening to rock.

I'm in the eighth grade and I always study hard because I want to be a doctor one day. After school, I like spending time with my best friend, Alison. We sometimes ride our bikes after school and we sometimes play basketball, too. Alison also loves seeing romantic comedies in a movie theatre, so we usually go to the movies on the weekend. She and I also draw pictures together once a week. Alison sometimes takes me to see sculptures, too. I also enjoy going to concerts when I'm free.
